WHY VIS?

Vista Innovative Solutions, LLC, (VIS) is an Alaska Native Corporation (ANC) subsidiary of Bristol Bay Native Corporation (BBNC). VIS provides outstanding services at a competitive price to include health technical and professional services. Due to its status as an ANC, Vista Innovative Solutions is eligible for sole source contracts up to $100 Million.

VIS brings the experience, assets, and expertise of the entire Government Services Group of 32 BBNC subsidiaries, which ensures the successful execution of contract requirements. Vista Innovative Solutions and our sister subsidiaries employ more than 2,500 personnel worldwide in the execution of contracts valued at more than $300 Million per year.
